PROJECT SPECIFICATIONS/INFORMATION

Description:

Founded in 1996, iProspect is a global leader in digital marketing services. Today iProspect employs over 850 people and 39 offices in 27 global markets. Because of its dog-friendly, family-oriented and employee-morale based culture, the Fort Worth office of iProspect was ranked by Texas Monthly magazine as the #2 Best Place to Work in Texas in February of 2012. iProspect's client list includes Neiman Marcus, Gap, Inc., Staples, Estee Lauder, The Container Store and Sears.

Bomanite Licensee, Texas Bomanite was called on by Fort Construction to provide polished concrete flooring in the new office space for iProspect: a renovated warehouse in the popular 7th Street District in Fort Worth. The vision for the new space was to create a contemporary workspace with a retro twist, exuding a warm and inviting feel. To help achieve this look, Texas Bomanite renovated over 19,580 SF of concrete using the Bomanite VitraFlor Polished Concrete System. The floor was diamond polished with a 1,500 grit finish and utilized over 1,120 linear feet of joint filler. iProspect's new Fort Worth office was completed in May 2012.
