CANYON STONE

Only Bomanite cast-in-place architectural concrete provides the beauty of natural paving with the durability and affordability of concrete. With more than 200 creative patterns and an endless palette of colors, Bomanite offers an unmatched range of innovative design options to turn ordinary concrete paving and flooring into something extraordinary. Canyon Stone, a pattern from the Bomanite Imprint Systems collection, is a classic design that will add an earthy-look or natural stone appearance to any hardscape. Individual stones within the pattern vary in size from 8" x 12" to 12" x 21". Whether a pool deck, walkway, patio or more, Canyon Stone is a perfect choice that is rich in texture, elegant in its natural beauty and sustainable to withstand the test of time. Realize the possibilities with Bomanite Imprint Systems.
