Architectural Concrete Solutions

# PATTERNS

## GARDEN STONE

Enhance surrounding landscape beauty with Garden Stone by Bomanite. This distinctive pattern from the Bomanite Imprint Systems collection is designed to simulate rocks and stones that line creek beds, transforming dull walkways, patios or driveways into appealing, decorative hardscapes without sacrificing the durability and flexibility that concrete surfaces provide. The mixture of river pebbles and large, randomly shaped garden stones adds a touch of creativity to any landscape design. Whether a commercial, residential or municipal application, count on Bomanite for unsurpassed quality, long-term durability and proven performance. With over 100 patterns to choose from and a limitless palette of colors and textures, Bomanite Imprint Systems integrates both personality and product by crafting quality options to bring your imagination to life. Realize the possibilities with Bomanite Imprint Systems.
