PROJECT INFORMATION

Bomanite Licensed Contractors, Concrete Arts and Bulach Custom Rock worked together to transform the Mazopiya Grocery Store at Mystic Lake, MN. The floor was a new pour that used a specialty mix design that allowed Concrete Arts to polish a more uniform floor look with larger rock. The client wanted a level 5 deep grind with a Bomanite Concrete Dye to be put on top. The dye, Maple Syrup, was chosen to really help the specialty aggregates stand out. An additional dye was used in the refrigerated section, Sweet Potato, to section off the two areas. Concrete Arts took the floor up to a 1500 grit to provide sheen and light reflectivity
