PROJECT PROFILE

PRAIRIE VIEW A & M UNIVERSITY LOGO

PROJECT INFORMATION

Designated an institution of "the first class" in the Texas Constitution, Prairie View A&M University, founded in 1876, is the second-oldest public institution of higher education in the state. With an established reputation for producing engineers, nurses, and educators, PVAMU offers baccalaureate, master's, and doctoral degree programs through eight colleges and schools.

Along with a higher education, PVAMU fields an impressive 16 intercollegiate sports teams and competes in the NCAA (Division 1) and the Southwestern Athletic Conference as the "Prairie View A&M Panthers." The baseball field was recently renovated, featuring seating for 512, a new concession stand, new restrooms, a press box and bricked dugouts. The stadium entrance is emblazoned with a large custom 5-color PVAMU logo with the face of a Panther, which Bomanite Licensee, Texas Bomanite had the opportunity to create using the Bomanite Micro-Top XT system. Texas Bomanite's foreman for the project was Julio Mendoza. A 12-year employee for the company, Mendoza utilized his skills and knowledge of the Bomanite Micro-Top XT Concrete Overlay to blend and create the striking logo. In addition to the standard black and white, customer colors in the university brand of gray (PMS 416c), purple (PMS 268) and gold (PMS 123) were utilized. A final coat of Polyurethane matte sealer was added for additional protection from the outside elements.
