

Bomanite®

Your Single Source For Innovative
Architectural Concrete Solutions

PATTERNS

DRIED EARTH TEXTURE

The Dried Earth Texture is part of the Erosion by Bomanite series, textures created to emulate nature at work. The Dried Earth Texture can be used in themed projects, amusement parks, zoos, gardens and walkways creating a natural path replicating dry lakebeds, old mud or earthen sandstone.

1 Project: Children's Museum of Indianapolis- Treasures of the Earth Exhibit

Location: Indianapolis, IN

BLC: Shepherd's Construction Company, Inc.

Nature of Business: Recreate a natural surface for Seti I's Tomb

2 Project: Brownwood at Paddock Square "Cow Path Entrance"

Location: The Villages, FL

BLC: Edwards Concrete Company

Nature of Business: Replicate an old west town dried cracked mud path

Only Bomanite architectural concrete provides the beauty of natural stone with the durability and affordability of concrete. With more than 200 creative patterns and an endless palette of colors, Bomanite offers an unmatched range of innovative design options to turn ordinary concrete into something extraordinary. Realize the possibilities with Bomanite Imprint Systems.

The Bomanite product line is installed only through the licensed Bomanite network, and exclusively by specially trained and highly skilled Licensed Contractors.
