

Bomanite®

Your Single Source For Innovative
Architectural Concrete Solutions

PATTERNS

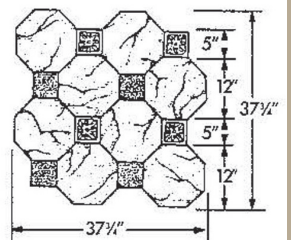

MEDITERRANEAN TILE

The Bomacron Mediterranean Tile pattern has an English Slate Texture, providing a moderate depth of relief and minimal veining. The Mediterranean Tile pattern gives an old world charm to an ordinary space. The Octagon tile is 12" x 12" as a whole and surrounded by a 5" square flower motif. The 5" flower can also be utilized on its own as a border or to create separate sections of space.

The English Slate Texture is also available in a wide range of patterns such as Garden Stone, Ashlar Slate, Medium Ashlar Slate and English Sidewalk Slate providing random stone versions with multiple tool designs and sizes to add appeal to your outdoor or indoor space.

Mediterranean Tile

Only Bomanite architectural concrete provides the beauty of natural stone with the durability and affordability of concrete. With more than 200 creative patterns and an endless palette of colors, Bomanite offers an unmatched range of innovative design options to turn ordinary concrete into something extraordinary.

Realize the possibilities with Bomanite Imprint Systems.

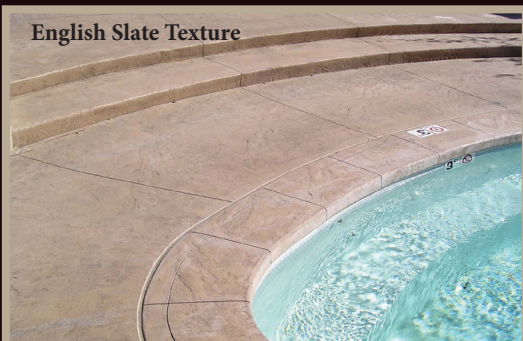

The Bomanite product line is installed only through the licensed Bomanite network, and exclusively by specially trained and highly skilled Licensed Contractors.
