# PATTERNS

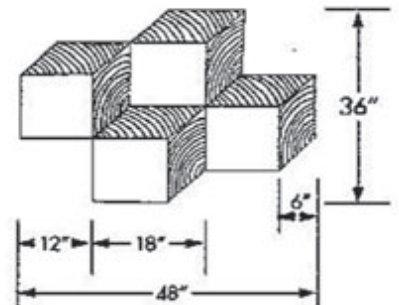

## 3-D GRAPHICS

If you are looking for something unique and different for imprinted concrete, our Bomanite Concrete Graphics provide creative freedom to make a bold statement and create graphic paving designs through unlimited combinations of geometric graphic patterns and colors. The 3-D Graphics Pattern is created with a set of interlocking blocks providing a depth to the paving and interesting visual effect.

Bomanite Imprint Systems are used in a wide variety of residential, commercial and municipal applications where the designer wants to upgrade plain concrete or asphalt, or alternatively, wants to reduce the cost of installing natural paving materials such as slate or granite.

### 3-D Graphics

Only Bomanite architectural concrete provides the beauty of natural stone with the durability and affordability of concrete. With more than 200 creative patterns and an endless palette of colors, Bomanite offers an unmatched range of innovative design options to turn ordinary concrete into something extraordinary.

*Realize the possibilities with Bomanite Imprint Systems.*
