Architectural Concrete Solutions

PATTERNS

BRAIDED BORDER

If you're looking to add resilience and beauty to your next hardscape project, look no further. With the classic Braided Border pattern by Bomanite Imprint Systems, you can bring warmth inside or style outside to any new or existing hardscape design. This stylish, woven pattern brings together art and architecture, accenting limitless color, texture and pattern combinations. The Braided Border pattern can add a subtle highlight or impressive accent to your next project while maintaining the durability and quality you rely on.

Whether a commercial, residential or municipal application, Bomanite offers unrivaled beauty, versatility and sustainability to meet all of your design needs. More than 200 standard patterns and an infinite variety of custom tooling options provide the creative freedom you need to make your next project unique. The monolithic, reinforced design and color-hardened surface of our Imprint Systems provide the structural integrity and surface strength for unsurpassed quality, long-term durability and proven performance. Realize the possibilities.
