RIVER ROCK

If you are looking to add resilience and beauty to your next hardscape project, then look no further. With the Bomanite River Rock pattern from the Bomanite Imprint Systems collection, you can add sophistication and style to any new hardscape surface. Great for municipal medians, retail water features and landscaped riverbeds, River Rock by Bomanite can also create the look of a natural stone cobble streetscape. River Rock is available in different tool sizes and varying sizes of stones from 3.5" x 5.75" to 5.5" x 8.5". Bomanite patterns are the original cast-in-place, colored and imprinted architectural concrete paving. This product provides an imprinted pattern that has a smooth surface between the joint lines (deep joint configurations).

Only Bomanite architectural concrete provides the beauty of natural stone with the durability and affordability of concrete. With more than 200 creative patterns and an endless palette of colors, Bomanite offers an unmatched range of innovative design options to turn ordinary concrete into something extraordinary.

Realize the possibilities with Bomanite Imprint Systems.

The Bomanite product line is installed only through the licensed Bomanite network, and exclusively by specially trained and highly skilled Licensed Contractors. For the Bomanite Licensed Contractor nearest you, visit www.bomanite.com or call 303.369.1115.
