## SMALL RANDOM SLATE

If you are looking to add resilience and beauty to your next hardscape project, then look no further. With the Small Random Slate pattern from the Bomanite Imprint Systems collection, you can add sophistication and style to any new or existing hardscape surface. Great for driveways, patios, pool deck surrounds and interior flooring, Small Random Slate by Bomanite is a versatile texture of "riven" slate with moderate depth of relief but rustic, random veining found throughout. Small Random Slate is available in different tool sizes and varying sizes of stones that offer the option of distinguishing with grout lines.

Only Bomanite architectural concrete provides the beauty of natural stone with the durability and affordability of concrete. With more than 200 creative patterns and an endless palette of colors, Bomanite offers an unmatched range of innovative design options to turn ordinary concrete into something extraordinary. Realize the possibilities with Bomanite Imprint Systems.

The Bomanite product line is installed only through the licensed Bomanite network, and exclusively by specially trained and highly skilled Licensed Contractors. For the Bomanite Licensed Contractor nearest you, visit [www.bomanite.com](http://www.bomanite.com) or call 303.369.1115.
